Folleto disponible en español en

## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

[LEGO.com/sustainable-packaging](https://www.lego.com/sustainable-packaging)

## A new world under the sea

Disney's *The Little Mermaid* follows the adventures of Ariel as she discovers new wonders in her world and finds her voice in a journey of self-discovery. Her story invites us to explore the breathtaking and magical world, above and below the sea, and see both in a new light. Inspired by Ariel's own treasure trove of dinglehoppers and other cherished keepsakes, this set imagines her world in a seashell, surrounded by her beloved family and aquatic friends.

## Un nouveau monde sous l'océan Un nuevo mundo bajo el mar

*La Petite Sirène* de Disney suit les péripéties d'Ariel, qui découvre de nouvelles merveilles dans son monde et trouve sa voix dans une aventure de découverte de soi. Son histoire nous invite à explorer un monde magique et époustoufflant, à la surface comme sous l'océan, et à le voir sous un jour nouveau. Inspiré par le propre trésor d'Ariel, composé de démêloirs et d'autres souvenirs précieux, cet ensemble imagine son monde dans un coquillage, entouré de sa famille adorée et de ses amis aquatiques.

*La sirenita*, el clásico de Disney, sigue de cerca las aventuras que vive Ariel descubriendo las maravillas de su entorno y buscando recuperar su voz en un viaje de autodescubrimiento. Su historia nos invita a explorar la magia y majestuosidad de nuestro propio mundo tanto por debajo del mar como en tierra firme y a mirar bajo una nueva luz dos ambientes tan disímiles. Inspirado en el propio tesoro de Ariel, con sus "cachivaches" y otros preciados recuerdos, este set imagina su universo en una concha marina rodeada por su amada familia y sus amigos acuáticos.

Disney  
THE  
LITTLE  
MERMAID

Disney's *The Little Mermaid* (2023) reimagines the animated classic in stunning live-action with an all-star cast and some brand-new songs.

*La Petite Sirène* de Disney (2023) réimagine le film d'animation classique en prises de vue réelles, avec une distribution de vedettes et de toutes nouvelles chansons.

*La sirenita* de Disney (2023) reimagina el clásico animado con asombrosas imágenes reales, un elenco estelar y canciones totalmente nuevas.

## Down in the depths of the oceans they live

*The Little Mermaid* reimagines the beloved story of Ariel, a curious mermaid who longs to experience life on land and, against her father's wishes, visits the surface. Ariel finds herself on an unexpected journey of self-discovery as she encounters a prince, a sea witch and an incredible new world.

## C'est dans les profondeurs de l'océan qu'ils vivent

*La Petite Sirène* reprend la célèbre histoire d'Ariel, une sirène curieuse qui aspire à connaître la vie sur terre et qui, contre la volonté de son père, se rend à la surface. Ariel se retrouve dans une aventure inattendue de découverte de soi où elle fait la connaissance d'un prince, d'une sorcière des mers et d'un nouveau monde incroyable.

## A brazas de la superficie

*La sirenita* reimagina la entrañable historia de Ariel, una sirena llena de curiosidad que anhela experimentar la vida en tierra firme y, contra la voluntad de su padre, visita la superficie. Este evento marca el inicio de una inesperada travesía de autoconsciencia que llevará a Ariel a conocer a un príncipe, a encontrarse con una despiadada bruja marina y a aprender cómo es la vida en un increíble mundo totalmente nuevo.

## From the design team

"Inspired by visual assets of the key environments in the movie, we chose elements fans of the original animation would recognize as new interpretations of Ariel's cave of trinkets, Triton's throne and Ursula's hideout. We knew we wouldn't be able to confine these within clear boundaries – the environments are organic and naturally blend into each other at the bottom of this lively, fictional sea. Creating a seashell as a way of encompassing this magical world seemed like a fitting and attractive idea. And what a fun model it was to create!"

- Marcos Bessa, LEGO® Design Master

"*The Little Mermaid* has been one of my favorite Disney films since childhood, so I was very excited to hear of the live-action remake and that the LEGO Group would have a set that draws on that nostalgia. The best part of designing the graphics has been incorporating the reimagined world of Ariel. The character storylines and overall deeper, representative nature of the film really inspired me, and I hope you all can enjoy this set as much as I enjoyed designing the graphics for it."

- Niken "Nikki" Ayumurti Hartomo, Senior Graphic Designer

## Un mot de l'équipe de conception

« Inspirés par les éléments visuels des environnements clés du film, nous avons choisi des éléments que les amateurs du film d'animation original reconnaîtront comme de nouvelles interprétations de la grotte aux trésors d'Ariel, du trône de Triton et de la cachette d'Ursula. Nous savions que nous ne pourrions pas les restreindre à des limites précises – les environnements sont organiques et se fondent naturellement les uns dans les autres au fond de cet océan vivant et fictif. Concevoir un coquillage pour englober ce monde magique m'a semblé être une idée appropriée et attrayante. Et quel plaisir j'ai eu à créer ce modèle ! »

- Marcos Bessa, maître de la conception LEGO®

« La Petite Sirène est l'un de mes films de Disney préférés depuis mon enfance. J'étais donc très heureuse quand j'ai entendu parler de la version en prises de vue réelles et appris que le groupe LEGO proposerait un ensemble qui ferait appel à cette nostalgie. Ce que j'ai le plus aimé dans la conception des illustrations, c'est l'intégration du monde réimaginé d'Ariel. L'intrigue des personnages et la nature globalement plus profonde et représentative du film m'ont vraiment inspirée, et j'espère que vous pourrez tous apprécier cet ensemble autant que j'ai pris plaisir à en concevoir les illustrations. »

- Niken « Nikki » Ayumurti Hartomo, graphiste principale LEGO®

## Impresiones del equipo de diseño

"Inspirándonos en los activos visuales de los entornos clave de la película, elegimos elementos que los fans de la animación original reconocerían como nuevas interpretaciones de la cueva de cacharros de Ariel, el trono de Tritón y el escondite de Úrsula. Sabíamos que era imposible enmarcarlos con límites bien definidos: en el set, los entornos son orgánicos y se mezclan de forma natural en el fondo de este mar animado y ficticio. Crear una concha marina para englobar este mundo mágico me pareció una idea adecuada y atractiva. ¡Todo eso contribuyó a que la creación de este modelo fuera un proceso muy divertido!"

- Marcos Bessa, maestro de diseño de LEGO®

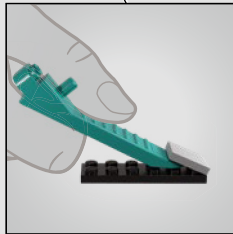

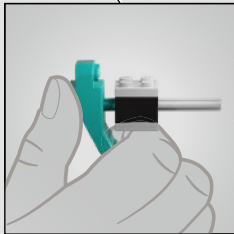

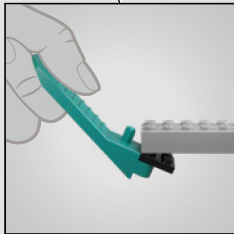

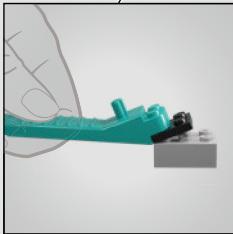

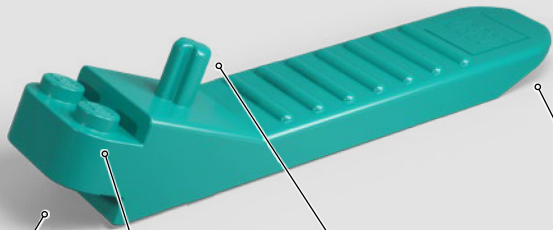

"La sirenita ha sido una de mis películas Disney favoritas desde que era una niña, así que enterarme de que se produciría la adaptación con imagen real y saber que The LEGO Group tendría un set inspirado en los detalles más apreciados por los fans fueron hechos que me llenaron de emoción. Incorporar el mundo reimaginado de Ariel ha sido, sin lugar a dudas, la mejor parte de diseñar los elementos gráficos. Los argumentos de los personajes y la naturaleza general más profunda y representativa de la película me inspiraron mucho, y espero que todos puedan disfrutar de este set tanto como yo disfruté diseñando los elementos gráficos que forman parte de él."

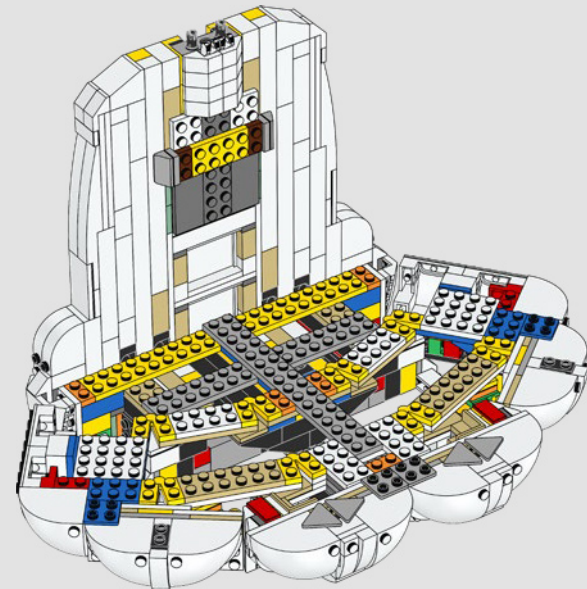

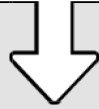

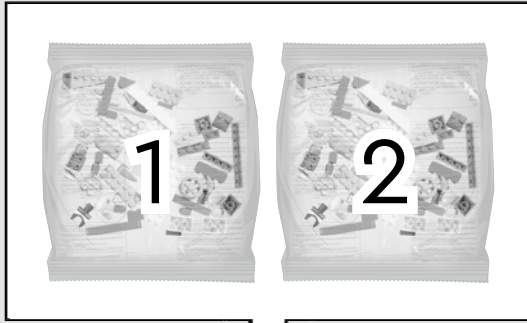

- Niken "Nikki" Ayumurti Hartomo, diseñadora gráfica sénior
